CLASSIC CHOC  
TOPS ARE THE  
MOST POPULAR

## THE HAPPIEST JOB IN THE WORLD.

THE STRAINS OF GREENSLEEVES ECHOING AMONGST THE BAY BREEZES, BRINGING JOY AND WHIMSY ALONG WITH BLISSFUL MEMORIES FROM CHILDHOOD...

This is the enchantment Stephen Brooks delivers from his retro Softy & Frosty ice-cream van. Many Baysiders and visitors have had the delight of being served a cone of traditional soft vanilla whipped ice cream from his van at Pandanus Beach and Playground.

"Classic Choc Tops are the most popular" says Stephen or 99's with sprinkles and pink sherbet toppings are a big hit with adults as well as children. The vintage style van evokes memories to adults who take their children and grandchildren for a special whipped ice cream served from a van. "It's the nostalgia that attracts them" says Stephen.

Owning an ice-cream van was a childhood dream for Stephen who, as a boy, would run with his older brother to the chimes of the ice-cream van, chanting that one day he would have his own 'Mr Whippy' van. He realised his dream in 2019 when he purchased an original UK Mr Whippy van. "It's the happiest job in the world" says Stephen, "who else gets to put a smile on everyone's face every day at work?"

Stephen refurbished a second ice-cream van in 2023 to accommodate, with the help of his wife Michelle, special events such as fetes, birthdays, weddings and post church services celebrating the life of a loved one whose last wish was to make people happy. His van has featured in commercials and films - and appeared in the hit Netflix series 'Boys Swallows Universe'.

## WYNNUM PROFILE SOBIDAH STYLE

Danielle has always had a feel for clothing from a childhood making clothes for friends and family and growing up with the influence of her mother who manufactured clothing for David Jones. This led her to studying pattern making and designing at TAFE and a career in dressmaking supplying manufacturing and retail.

Danielle opened her first Sobidah Clothing shop in 2006. Moving to Wynnum in 2016 firstly on Bay Terrace and then to a larger store on Edith St. "It was closer to home", she says, "and we loved being by the water with a connection to a community and close to friends".

Danielle describes the offering from Sobidah as "Clothing for the woman from size 8-18

who wants to feel comfortable and look great". Her clothing range features natural fibres and colourful resort style as befits the Queensland and relaxed Bay lifestyle. She provides Style Consultations and an Alterations service.

Sobidah Clothing has become a staple of the Wynnum Uplate shopping evenings with its highly anticipated Fashion Show and catwalk complete with red carpet adorning the Edith Street footpath. "It a great opportunity to showcase the local wares....and that local shopping can be easy and fun", says Danielle.

Why the name Sobidah? "I made it up", she says adding, "When I Goggled it I found it means feminine calm in an Indian dialect. My hair stood on end when I found out".

## WELCOME TO LOTA

### THE BAYSIDE'S HIDDEN GEM

Discover the hidden gem of Lota, just a short walk, cycle or drive from its more well-known neighbour.

Lota Park, on the foreshore, has expansive green spaces and water views ideal for family and friends alike to enjoy a picnic or barbeque.

Lota also offers a playground next to what was once the Lota Camping ground. This is also the start point for the weekly 5 km parkrun every Saturday at 7am. The route passes near the Lota Boat Ramp where boats or canoes can be seen slipping into the water. Both land and water activities are on offer in this amazing suburb.

Did you know Lota waterfront has, according to Google Maps,

"The Very Best Water Tap on the Waterfront"? Drink the cool clear stream while admiring the glorious views! Intrigued? Come to Lota to find out more!

For dining or takeaway the recently opened and very popular The 3 Musketeers, opposite Lota Park, offers all day breakfast and homemade dishes. Nearby is the established Lota Takeaway, a family run business providing the best fish and chips.

Of historical interest is Lota House, constructed in 1865 showing the best example of early Georgian architecture.
